Re: *Greene Johnson and Aziz v. United States of America*, No. 24-CV-872 (DEH)

Dear Judge Ho:

Plaintiffs respectfully submit this request for a one-week extension of time to file their brief in opposition to Defendant's Motion to Dismiss. *See* ECF No. 34. Plaintiffs' opposition brief is currently due on Friday, May 31, 2024, and Defendant's reply brief is currently due on Friday, June 14, 2024. ECF No. 28. Plaintiffs request that:

1. Their opposition brief now be due on Friday, June 7, 2024; and
2. Defendant's reply brief now be due on Friday, June 21, 2024.

This is Plaintiffs' first request for an extension of time to file their opposition brief. Plaintiffs require additional time to complete their brief and respond to the numerous, complex arguments in Defendant's oversized submission (for which the originally agreed-to briefing schedule did not account). *Compare* ECF Nos. 24-25 (proposing and ordering the original briefing schedule), *and* 27-28 (requesting and granting Defendant's extension request), *with* ECF No. 32-33 (requesting and granting Defendant's request to file an oversized brief).

Letter to the Honorable Dale E. Ho
